ABOUT BOOTS TO BUSINESS REBOOT

Boots to Business Reboot is a two-step training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Step one is the Introduction to Entrepreneurship course eligible to Veterans of all eras, service members (including members of the National Guard and Reserve) and their spouses. This course is instructed by SBA and its partners, who are skilled business advisors.

Step two is one of the free online courses taught by SBA partners at Mississippi State University, or the Institute for Veterans and Military Families at Syracuse University. If you've already attended an in-person Boots to Business or Reboot class, visit <https://sba.my.site.com/> to sign up for one of the Online B2B follow-on courses.

Note: All SBA programs and services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance. Contact: the Boots to Business team at 202-205-8381 or email boots-to-business@sba.gov

The Boots to Business Reboot program is provided through the coordinated efforts of the SBA and the following valued partners:
